Description

TEROSON® VR 190 is a clear, colorless, multipurpose, solvent-based liquid cleaner, formulated for the removal of grease, oil and dirt. It is free of halogenated hydrocarbons. It removes grease and oil from all parts, e.g. brakes, clutches and transmissions as well as adhesive and sealant residues from motor, carburettor and transmission flanges.

Avantages

Also available in aerosol cans, using carbon dioxide as a propellant. Removes grease and oil from all parts, e.g. brakes, clutches and transmissions as well as adhesive and sealant residues from motor, carburettor and transmission flanges. Can also be used to remove hardened grease from hinges and joints prior to renewed greasing.

Caractéristiques

Clear, colorless, multipurpose, solvent-based liquid cleaner, formulated for the removal of grease, oil and dirt.
